

Welcome to **Community Connection Home Health**

Health Care Professionals from Community Connection Home Health will partner with you in achieving your very best health – and we can do it right where you live.

Community Connection Home Health is a provider of home-based health care solutions that will allow patients to continue their recovery at home. Our services also allow elderly and disabled individuals to access exceptional care without being compelled with admission in a nursing home or a skilled nursing facility. We continually strive to improve the quality and scope of our services to these valuable people in our community.

Community Connection Home Health is:

- ✓ Certified as a Medicare/Medicaid Home Health Agency.
- ✓ Licensed by the Texas Department of Aging & Disability Services.
- ✓ Contracted with the Department of Aging and Disability Services: CAS/FC and Star+Plus Waiver services.
- ✓ A member of Texas Association for Home Care & Hospice (TAHC&H)

We are committed to providing excellent care. If you are looking for a little help at home or round-the-clock care by competent health care professionals, please call **Community Connection Home Health** at 972-224-9911. We are ready to take on your health challenges!

About Us

Community Connection Home Health efficiently cooperates with the individual's private physicians and family members in providing the most suitable home health care services. We endlessly improve the quality of our services and staff for the satisfaction and wellness of the elderly, ill, injured, and handicapped members of our community.

Excellence, compassion, and comfort are among our core values. It is our priority to make every patient of **Community Connection Home Health** heal faster, feel better, and live happier lives. In short, we strive to improve your quality of life!

Community Connection Home Health is a certified home health care company licensed by the Texas Department of Aging and Disability Services. We also are a certified Medicare/Medicaid home health agency, and we are a member of the Texas Association for Home Care and Hospice or TAHC&H.

Non-Discrimination Policy

Community Connection Home Health provides equal career opportunities for employees and services for clients. Pursuant to Title VI of the Civil Rights Act of 1964 and Title II of the Americans with Disabilities Act of 1990, our staff and management shall protect the right of clients to equal service provision without discrimination for race, color, sexual orientation, age, disability, gender, religion, national origin, marital status or parental status.
